Career Objective

Motivated and goal-oriented professional looking for a dynamic role in a tech company where my skills and experience can be utilized for the benefit of the team and the organization as a whole. I am professional development oriented and willing to work with other people to achieve both personal and organizational objectives.

Experience

Gyanmatrix, Coimbatore
Oct 2024 - Present

QA Intern

- I actively contribute to an Agile development process by writing test cases, identifying bugs, and performing cross-browser and cross-platform testing.
- Perform manual testing on the Digri web application, gaining hands-on experience to ensure high-quality software delivery.

Smartinternz, Telangana
Dec 2023 - Feb 2024

Software Test Automation

- I Successfully completed a comprehensive software test automation internship, gaining hands-on experience in automating test cases using Katalon Studio.
- Developed proficiency in creating and executing automated test scripts for Amazon and Cura Healthcare to ensure software quality and efficiency.

Projects

Digri Live Product | Manual Testing, API, Jira, Excel

- I actively contribute to the QA process in an Agile development environment by writing test cases, identifying bugs, and performing cross-browser and cross-platform testing.

Collaborative Content Creation Platform | HTML, CSS, Git & GitHub

- This platform is used to create new content, edit existing content, send reports to creators, access the admin page, add new creators with admin privileges, and share content with others.

Files Arrangement | Python, Git & GitHub

- This Python script organizes files into different directories based on their types. It creates separate folders for images, music, videos, executables, archives, torrents, documents, code files, and design files.

Technical Skills

Languages: Python, SQL, HTML/CSS, OOPS
Frameworks: Selenium
Software Testing: Manual Testing, Automation Testing
Developer Tools: Git & GitHub, VS Code, Postman, Jira
Operating Systems: Linux(Ubuntu), Windows
